TO WHOM IT MAY CONCERN

MR DETLER KRATZ was employed by this company as a representative, from April 1973 until October 1973. His duties included attending our clients in the Hotel Clumba Mar, C'an Picafort, Majorca and accompanying them on transfers to and from Palma Airport.

He always carried out his duties to our complete satisfaction and we found him to be very hard working and conscientious. We would not hesitate to reemploy him.
