**I cant read French, and since I am 75 years of age, I will not start to laern
a other Language, cause you actually should know, not to send me Papers
to sign in French.**

Anyway my Doctor did sign the Papers with me.

**Also you send the Letter away on the 12 November it did get here
on 26 November – maybe you sending them by boat and not by
airmail-**

**I will never understand why you make it so difficult,
what for we all have Computers and could send everything by
Internet Mail -**

**how many years it will be until you get digital, cause I cant
sign in or login cause I don t have any Tax numbers etc.**
