THE GENERAL MANAGER

We would like to take a few minutes of your time !

WORLD LINE AIR CHARTER CLUB has been in business for many years and we do have now about 300.000 members from all over the world. Our members have been flying with our Jetcharter into their holidays and on their business Trips.

WORLD LINE AIR CHARTER CLUB AIRWAYS LTD. was incorporated on July 3 rd. 1987

In this days of total Global communication - we should stay - work together.

WE ARE NOT TAKING AWAY ANY OF YOUR BUSINESS

MORE BUSINESS IS COMING YOUR WAY !

IN EXTENDING OUR ROUTES, in booking our clients on your Jets.

THIS IS EXTRA MONEY FOR YOUR COMPANY AND WE DO THINK YOU SHOULD PARTICIPATE IN THIS.

With the beginning of the new Season our GLOBALAFFAIRS will be executed by:
LAPACHO INTL. - located in Asuncion/Paraguay.

May we suggest that your Marketing Office is taking the liberty in appointing them to be your GENERAL SALES AGENT in PARAGUAY.

W H Y ? The Booking on our Charterflights will go via their computers- but many of our members will want to fly on to other destinations on your Routes with your Aircraft. It will be certainly simplify reservations and Ticketsales- this will benefit all of us, if Lapacho intl. is able to sell and reserve TICKETS on your AIRCRAFT.

We would be most happy to receive your comment and suggestions on this matter.

Please do feel free to write to us, or directly to :

LAPACHO INTL. P.O.Box 1367/Asuncion/Paraguay:Telephones 94967/94969//Telefax 90145
Telex 174 PY and ask for the Vice President, Mr. Detlef Kratz.

I remain with my hope for a successful Businessrelationship
